July 2016

Grace to you...

Things are moving quickly in many areas for which we are blessed. Carol and I want to express to you how grateful we are to the Lord for all who pray for us and for those who support ***Make It Clear Ministries!***

Church Planting Conference in Mongolia

I just returned from Ulan Bataar, the capital of Mongolia where Dr. Rick Griffith and I conducted training on church planting at the Union Bible Training College. The topics included *Small Churches Can Fly*, *Leadership That Works* (using the model of the supreme servant / leader Jesus Christ), and *Evangelism Can Succeed in Any Culture* (the emphasis was on the clarity of the gospel). I also spoke in two churches on *How To Settle Your Eternal Destiny*. Those who were at the conference could come and see how to preach expositionally and be evangelistic.

The Lord blessed by having people come to faith in Christ during our conference (it is not unusual for "Christian" leaders to come to faith in Christ since the gospel is rarely given correctly or clearly) and at each church service.

I received a "text message" from a church planter who attended the conference while on my way to the airport to return home. It was the prevailing response from so many who came. Here is the message exactly as it was written from a Christian leader who now understands what grace is: *"Hello. Thanks to God for sending you to Mongolia. I attended in your seminar in Mongolia. I was very happy because my belief in Jesus was right. Today many Christians are in Mongolia, but most of them are living in the Law. They say we have to do good things, you will be a good Christian. I was very tired from that, so I hear your truth of the Good News. Thanks to the Lord for sending you to Mongolia. Thanks. God bless your serving and your trustful belief. I was very tired from the Law (he stated this twice), but I was free and happy from hearing your truth of the Good News."*

The need is great to train local church planters. We were asked to return and conduct special training throughout the country. While it is humbling to speak on church planting, I told them my emphasis will be on equipping these church planters 1) to have a personal growing relationship with Jesus Christ, 2) to truly love others in their families and villages, 3) to present the Word of God and the gospel with accuracy and clarity, and 4) to train their people to repeat this Biblical process with others.

At this point we are on the front end of the planning for this initiative. A prayer team is being built to seek the Lord on how to accomplish this very important *church planters conference* and how ***Florida Bible College*** will be part of this initiative. You are invited to join this team of praying people both in Mongolia and here.

Equipping the next generation champions to help others come to faith in Christ alone and grow on to become fully obedient worshippers of God!

Florida Bible College Prepares to Begin Classes August 22

There is much work being done behind the scenes to get us ready. Dr. David McCann is processing applications to determine the classes necessary to offer those coming for their first year and those who are returning to complete their education. Transcripts of alumni who are going on for post graduate work are being sent. Connections are being made to make **Florida Bible College** known to others.

By the time you receive this letter Carol and I will be on a “meet and greet” trip up the east coast (with some much needed ‘alone time’ with the Lord and each other in between). We would truly enjoy connecting individually with each one of you, but we need to return to Orlando to prepare for the opening of the school with WOW Week for the incoming students, the Convocation, the Alumni Reunion, and the special “Gospelize” conference with Greg Stier, founder of *Dare2Share*. To see as many people at once while on the road, there is a *What’s Up Gathering* in Philadelphia on _____ at _____ and another in Atlanta on _____ at _____. Please come to one of them!

Our next step is to acquire the dorm space that is safe and conducive for spiritual life growth of those students coming from out of town. A church family here has opened their home to house a couple of female students.

Continue to pray as we assemble a team of the best and the brightest people to develop our *Online* Campus that would compliment our *Onsite* Campus without any loss in the quality of teaching and for those students who need this type of education.

A Scholarship Fund is available for those who would like to help our students setting aside their GAP year to attend Florida Bible College.

WTLN 94.9 FM and 950 AM in Orlando has been added to our growing *Make It Clear* broadcasts. Please pray for many listeners to tune in as we present God’s Word accurately and clearly to the large central Florida audience. Carol will be representing **Florida Bible College** and **Make It Clear Ministries** at a special *Pastors Wives and Women in Ministry Conference* sponsored by the radio station. Over 350 women will be at this conference and we are praying it will result in women coming to FBC to be trained in God’s Word!

Your support of *Make It Clear Ministries* is greatly appreciated as it allows Carol and me to be a part of opening **Florida Bible College** to train the next generation leaders locally, broadcast the Word of God with clarity and accuracy nationally, equip church planters and Christian leaders globally, and to provide *The Word For You Today* devotional to people who want to deepen their relationship with Jesus Christ.
