

Make It Clear Ministries

June 2016

Grace to you...

Carol and I want to express to you how grateful we are to the Lord for all who pray for us and for those who support ***Make It Clear Ministries!***

Carol and I are now in Orland and our household items arrived from Honolulu with minimal damage to only a few things. The Lord is so good to us. Our time has been spent opening boxes and putting things away. But most of our time is being invested in building a deeper relationship with the pastor, elders, leaders, and faith family of Circle Community Church since we will be using its campus for our college offices and classes.

John Boehm, our VP of Operations drove down from Ohio with a half dozen computers, monitors, and servers that were given to us. We spent a week installing cable for high level internet services and wires for the telephone system. We also made a trip to Clearwater Christian College to a receive desk, book cases, office chairs and other items we needed. John is such a blessing.

In the mean time our registrar, David McCann has been responding to inquiries from prospective students who are submitting their applications. He is now fielding the transcripts and letters of reference. Some are new students while others are former students who want to complete their education with us. We are grateful for all those the Lord is bringing our way to disciple in an educational environment.

Our next step is to acquire the dorm space that is safe and conducive for spiritual life growth of those students coming from out of town.

We are assembling a team of the best in the brightest people to develop our *Online* Campus that would compliment our *Onsite* Campus without any loss in the quality of teaching and for those students who need this type of education.

You may be aware there is a new trend with those graduating high school today. Many are choosing to take a year off from attending a particular college or university. This trend is referred to as a *GAP* year. It is our desire that for those Christian young adults to use their *GAP* year best by attending Florida Bible College for one year, earn a Certificate in Bible and then enter the next stage of their life. Our one-year Certificate in Bible is given to those who successfully complete the following courses: Evangelism and Discipleship; Survey of Christian Doctrine; Spiritual Life Development; Romans and Galatians; Survey of Church History; Christian Worldview and Apologetics; Bible Study Methods; and New Testament Survey.

A Scholarship Fund is available for those who would like to help our students setting aside their *Gap* year to attend Florida Bible College.

Equipping the next generation champions to help others come to faith in Christ alone and grow on to become fully obedient worshippers of God!

On our global landscape is my trip to Mongolia June 6 – 13 where I will be speaking to almost 400 church planting pastors and Christian leaders coming from across the country for a intensive training. The various messages will be on the subject, *Leadership That Works!* and *Evangelism That Is Effective in Any Culture*. All these messages will be Biblical. Plus, I will give an expositional series of message from Colossians 4:2-6 along with a message on how we know the Bible is the only accurate book to explain the true God.

These are very important of messages as these men return to their villages to plant new churches and to bring “health” to existing ones.

The time has finally arrived for us to add a third radio station to our growing *Make It Clear* broadcasts. Beginning May 30, we can now be heard Monday through Friday in Orlando where we will simulcast on WTLN 94.9 FM and 950 AM at 7pm and then again on Saturday. Please pray for many listeners to tune in as we present God’s Word accurately and clearly to the large central Florida audience.

Your support of *Make It Clear Ministries* is greatly appreciated as it allows Carol and me to be a part of opening Florida Bible College to train the next generation leaders locally, broadcast the Word of God with clarity and accuracy nationally, equip church planters and Christian leaders globally, and to provide The Word For You Today devotional to people who want to deepen their relationship with Jesus Christ.
