

# *Make It Clear Ministries*

November 2016

Grace to you...

Carol and I want to express to you how grateful we are to the Lord for all who pray for us and for those who are able to support **Make It Clear Ministries**. We just finished a wonderful month that included Florida Bible College's *Spiritual Emphasis Conference* and speaking at Circle Community Church's Men's Conference.

Carol and I look forward to being in Houston and San Antonio, Texas in November to share with family and friends what the Lord is doing in our lives and ministries. It will be encouraging to re-connect with many of you Texans again!

## **Spiritual Emphasis Conference – Journey to More**

Lee Stanford, former Florida Bible College president and current adjunct faculty member who is also founder of *Two Great Commandments (TGC) Ministries*, was our speaker. The emphasis this year was *loving the Lord with all your heart, soul, mind, and strength*. We know that intimacy with the Lord fuels our outreach. Besides our students, the attendance grew for each session. Both faculty and students expressed how much they gained not only in Biblical knowledge, but also in their understanding of seeking and loving the Lord completely!

## **Men's Retreat – Man-to-Man Discipleship**

Thirty men met for a weekend at a camp in the beautiful Ocala National Forrest.

The weather was perfect with the first breath of cool air for the season arrived. Our theme was building men of integrity through man-to-man discipleship. Using an acrostic for the word *LEADERSHIP*, we learned ten biblical and practical methods of helping men become godly persons, partners, parents, and providers. They were given workbooks and then access to a free 29-page manual on how to do this. Our follow-up event is a half-day seminar in early December on *Developing a Healthy Men's Ministry*.

*Equipping the next generation champions to help others come to faith in Christ alone and grow on to become fully obedient worshippers of God!*

## Our South Texas Speaking Schedule

Many friends of ***Make It Clear Ministries*** and ***Florida Bible College*** live in Texas. There will be a time for questions and answers about each ministry and sharing information about the exciting new developments. For those who are in the area, please join us at as many of these “*Gatherings*” as possible.
