

Make It Clear Ministries

October 2016

Grace to you...

Carol and I want to express to you how grateful we are to the Lord for all who pray for us and for those who are able to support ***Make It Clear Ministries!***

We just finished a wonderful month that included Florida Bible College's Convocation, Alumni Reunion and Faculty Summit. Students are settling into their classes and expressing how much they are applying to their lives and growing as leaders.

The Bible teaching messages on our radio program, ***Make It Clear*** have many people requesting copies of them to share with others. One particular was a message given from Romans chapter one on a Christian's Biblical response of grace and truth to homosexuality. This was especially helpful to the listeners here in Orlando as a result of the mass killing at the Pulse Nightclub. WTLN in Orlando decided to rebroadcast all our programs on both their AM and FM stations at 5am, 5:30pm, and again at 7pm. This gives us a tremendous audience who are hearing the Word of God clearly and daily.

For those who want to pray more specifically for our students by name, they are: Gordon Gable, Linda Gable, Deborah Gibson, Stephanie Graham, Rosemarie Martin, Dawn Mullery, Tory Mullery, Anthony Shannon, Angel Tanchin, and Maddie Tanchin.

You may also pray for our upcoming ***Spiritual Emphasis Conference*** with Lee Stanford, October 10,11. As you know, our intimacy with the Lord fuels our outreach for the Lord. And as one person said, *if we take care of our depth in God's Word, the Lord will take care of our breadth in ministry!*

Your support of ***Make It Clear Ministries*** is greatly appreciated as it allows Carol and me to be a part of opening ***Florida Bible College*** to train the next generation leaders locally, to broadcast the Word of God with clarity and accuracy nationally, to equip church planters and Christian leaders globally, and to provide *The Word for You Today* devotional to people who want to deepen their relationship with Jesus Christ. Thank you for being a part of a much bigger vision!
