

Retired San Antonio Police Sergeant Tim Rupp will be the guest speaker at Terrace Lake Community Church

Tim has authored several books including **Winning a Gunfight** and the newly released **Suicide is Not an Option: Hope in Man's Search for Meaning**. Any law enforcement officer present will receive one free book of their choice.

Training through The Strong Blue Line

Law enforcement officers are a unique people group. They have their own subculture that's hard to break through. **The Strong Blue Line** ministers to law enforcement professionals by providing training and a valuable resource that helps officers win—body, soul, and spirit. Tim travels across America teaching seminars and providing copies of “Winning a Gunfight” to our officers.

Helping through Law Enforcement Chaplaincy of Idaho

Law Enforcement Chaplaincy of Idaho is a non-profit charitable organization committed to serving law enforcement personnel and their families, victims of crime and tragedies, and the community at large.

Planting Cop Churches

While the demographic is narrow, it's wider than most realize. Tim is meeting with two other officer-pastors about starting a national association of Cop Churches across the county.

Please Pray for Pastor Tim and Sherry as they minister to our nation's law enforcement officers

Tim plans a three-prong approach through **The Strong Blue Line Ministries, Law Enforcement Chaplaincy of Idaho, and Cop Church**
